## PRIMARY WILL BE HELD ON 10TH

FOR PURPOSE OF ELECTING DEMOCRATIC DELEGATES.

### FORTY-ONE TO BE SENT

To Democratic County Convention Which Convenes in Douglas on September 24—Mass Meeting for Thursday Night.

Pursuant to call, the members of the Democratic Central Committee for Bisbee precinct, met at the Copper Queen hotel last evening and as a result of the meeting a mass meeting of Bisbee Democrats has been called for Thursday evening in the opera house for the purpose of making nominations of candidates to be voted for as delegates to the county convention at the primaries which are to be held in the precinct on Saturday next.

The committee organized by the selection of M. J. Cunningham as chairman and W. B. Kelly, secretary, and the following members of the committee answered to their names as present:

M. J. Cunningham, W. B. Kelly, J. C. Callahan, J. J. Bowen, James Henderson by J. J. Bowen, proxy; James Brophy by M. J. Cunningham, proxy; James Letson by Mike Hannon, proxy.

After some discussion as to the proper manner of selecting the delegates to the county convention, it was moved and seconded that the method in this precinct be by primary election and the motion was carried without a dissenting vote. It was further ordered by the committee that a mass meeting of Democrats of this precinct be called to meet at the opera house on Thursday evening next, Sept. 8th, at eight p. m., for the purpose of making nominations of candidates.

On Saturday the day of the primaries, the polls will be kept open from 1 o'clock p. m. until 7 p. m., and two polling places were established in the precinct, one at Lowell, at Boyle's boarding house and another at the Fire House on Main street.

The judges and clerks at Lowell are Joe Curley, Wm. Robinson, and N. Donovan.

The judges selected by the committee to preside at the polls in the Fire House are Maj. Burton, S. J. Ford and Jack Munch.

By establishing a polling place at Lowell it was the intention of the committee that democrats residing down the canyon and in the vicinity of the C. & A. and Don Luis, could cast their votes at Lowell and the Bisbee democrats would vote at the Fire House. It was suggested that the polling place be established by wards but the committee thought that two voting places was sufficient.

The committee, after transacting the above business adjourned.

Remember that the mass convention for the nomination of candidates will be held at the opera house on Thursday evening at eight o'clock.

Discharging Firearms—H. Blunt, a tailor, was in Judge McDonald's court last evening on a charge of discharging firearms within the city limits. Blunt had been drinking. In the evening, it is alleged, he became imbued with the idea that insult had been offered his wife by an acquaintance, and gathering up a gun went out to hunt the offender. Before he had gone far he accidentally discharged the weapon. His arrest followed. In court he declared that if the alleged insult had been given in the South the offender would have been hung. Friends stopped him from saying more. During the scene his wife appeared and seemed greatly affected at the dejection of her husband, about whose regret that he was in court there was no doubt, the man breaking down and crying. His bond for appearance today was fixed at \$100, which amount he secured.

Ass't. Supt. Hartman and Garnett King, of the E. P. & S. W., were railroad people in the city last evening.

Mrs. West Howell, widow of the late West Howell, who was at one time mine foreman for the Copper Queen Co., is in the city on business, and at the same time visiting with old time friends.

Gathered in Mexicans—Arrest was made yesterday morning of five Mexicans who had been in a drunken brawl in the tenderloin district. Judge McDonald had the bunch before him and gave each of the members nine days or the equivalent in cash. Two paid cash and the rest went to jail.

## RETREAT IS ORDERLY

PICTURED FROM TELEGRAPHIC DESCRIPTION OF REAR GUARD ACTION WITH RUSSIAN ARMY RETREATING TO MUKDEN.

## JAPANESE PURSUING WITH DOGGED DETERMINATION

The dearth of immediate press and official dispatches from the present actual seat of the Far Eastern struggle continues. It is admitted by the Russian war office that no telegrams whatever bearing Tuesday's fate were received from General Kuropatkin, the last message to the Emperor from the general being dated September 5, and briefly telling that the army was advancing northward; that it had extricated itself from its dangerous position; that there was constant cannonading of the rear guard, and that losses on that day were about 100.

The situation in the light of the latest information, may be summed up as follows: The Russian forces are pushing on to Mukden greatly impeded by heavy roads and floods, conducting an orderly retreat, and followed step by step by Japanese.

Details of fighting and the exact positions of the opposing armies are lacking. The report that Kuropatkin's rear guard has been annihilated, and that Russians are surrounded is denied by the Russian general staff. The Russian war office is entirely confident that the retreat is slowly but surely being effected. From Tokyo comes the official report that the bulk of the Russian forces is still at Yentai.

The Japanese marshal, in an extended report of fighting up to September 4, says the Russians burned all the railroad bridges over the Taitsie river, and predicts that, while the Japanese list of casualties is not yet completed, the losses will prove heavy.

Viceroy Alexieff is on his way from Harbin to Mukden.

The heads of Kuropatkin's long commissary trains have passed through Mukden and are continuing northward.

Land and Sea Attack Today. (Chee Foo, Sept. 6.—Chinese arriving at this place the Russian garrison at Port Arthur expects a general land and sea attack today, Wednesday.

St. Petersburg, Sept. 6.—There has been no news from General Kuropatkin since Monday afternoon. This is attributed to the interruption of direct communication with the commander-in-chief, owing to transfer of the telegraph office to Mukden, while here messages have to be sent by courier. His majesty is unwilling at such a juncture to absent himself from St. Petersburg, and has countermanded all proposed journeys. He remains close to his military advisers. It is believed that the outcome of these deliberations will be an order to mobilize several more army corps. The Russian correspondent of the Associated Press sent a message from Mukden Tuesday evening, more than 24 hours after the last published message from Gen. Kuropatkin. This dispatch is not allowed published until a report has been received from Gen. Kuropatkin.

The city is full of the wildest rumors, some claiming that Kuropatkin's rear guard has been annihilated; that Kuropatkin has been taken prisoner; and that Port Arthur has fallen. These alarming reports were circulated on the bourse, and at one time threatened to cause a panic. It is stated that by the end of October the Fourth, Eighth and Thirtieth army corps, totaling 192,000 men will reach the front, and that before the end of September 1100 guns will have been dispatched to General Kuropatkin. According to an unconfirmed rumor the Baltic fleet will not be able to sail before November, owing to the discovery of considerable defects in some of the vessels which recently underwent their trial trips.

min. The correspondent does not conceal the fact that the Russians are undergoing a severe ordeal, but he says that the courage of the troops remains undiminished.

## May Settle Strike Today

BALLOTS COUNTED TO DETERMINE WHETHER UNIONS WILL CONTINUE FIGHT.

In Chicago Stock Yards Contest, the Meeting Called for 9:30 This Morning. When Result of Vote Will Be Announced.

CHICAGO, Sept. 6.—Whether the stock yards strike is to be called off or continued indefinitely will not be known until tomorrow morning, when the result of the referendum vote on the proposition began today by the unions involved in the difficulty will be made public by President Donnelly of the Butchers' union.

The greatest secrecy is being maintained by the officers of the different unions as to the outcome of the vote, which is being taken by the secretary. No official statement regarding the probable result of the balloting could be obtained today and the reports of those who have made a canvass of the situation conflict. A meeting of all the strikers has been called for tomorrow morning at 9:30 o'clock, when Mr. Donnelly will announce the result of the vote.

Attended Court—Mrs. Jack Hootson returned last evening from Tombstone, where she went to attend a piano concert given Monday evening by Misses Gertrude C. Kerwin and Bessie May Cool, assisted by W. J. Cushing. The event was a very agreeable one.

Dr. Broderick has been appointed examining physician for the A. O. U. W.

## IDENTITY STILL IN DOUBT

It is, or is it not Dunham, or who is he, are seemingly still questions with the officials who are holding at Naco the man who was shot last week at the silica quarries while resisting arrest. Yesterday C. A. Carver, of Douglas, went to Naco at the request of the rangers, to see the man and identify him, if he could, as the much wanted Dunham, slayer at his home near San Jose, Cal., some years ago, of his wife, children and father-in-law and wife.

In this city last evening, on his way home, Carver said he could not positively identify the man. In fact, he was much in doubt. Further than this he cared to say nothing until he had conferred with the rangers at Douglas, upon whose solicitation he had gone to Naco. The man under arrest, he said, appeared to recognize him at times, and at other moments seemed utterly unacquainted with any feature that bore resemblance to the man in front of him. It was Carver's opinion that the man was shamming something bordering on insanity all the way through the deal.

Carver says his acquaintance with Dunham in California was made during a week which Dunham spent at the ranch of his (Dunham's) father, in San Diego county. The father was ill and died. Carver saw Dunham several times during the week. The murder of his family by the man some time later brought his features back to Carver's mind, and firmly and correctly impressed them there. That the man at Naco is Dunham, however, as stated above, Carver is not prepared to say.

POT PIE DINNER. Boston & Brown Entertain Friends at the English Kitchen.

There was a hunting party doing business in the country adjacent to Bisbee on Sunday, and the birds were put into a pot pie at the New England Kitchen on Monday night, and the festive board was presided over by Messrs. Boston, Brown and Truax.

About twenty guests sat down to the big table in the English Kitchen at 8 o'clock, and the pot pie was brought in and placed at the head of the table. For more than an hour the invited guests were regaled by as fine a dish as was ever set before a king. Those present will hope that the hunting party will continue to meet with success.

POSTMASTER AT METCALF. Washington, D. C., Sept. 6.—Claude Hooker has been appointed postmaster at Metcalf, succeeding Sophia E. Shirley, resigned.

## SEVEN KILLED ON WRECK

TRAIN PLUNGES OVER EMBANKMENT NEAR PENDELTON, MISSOURI.

Dining Car Falls on Top of Day Coach, in Which Fatalities Occurred—Thirty are Reported Injured Beside the Killed.

MOBERLY, Mo., Sept. 6.—The south bound Wabash passenger train, which left Des Moines for St. Louis at 6:40 a. m., was wrecked today near Pendleton, Mo.

Seven passengers were killed, more than 30 others injured. The train which was composed of an engine, a baggage car, smoking cars, day coach, diner and Pullman sleeper, was well filled, it being estimated by Wabash officials that there were about 500 persons on board. The train was running at its scheduled speed when the accident occurred.

The day coach left the track and breaking loose from the baggage and smoking cars plunged down an embankment, dragging the diner with it. The Pullman did not leave the track. The heavy dining car crashed on top of the coach, and the majority of those killed or injured were passengers in the coach. There was no one in the dining car, it is stated, except employees, who escaped with injuries.

H. B. Stevens, representing the Providential Building & Loan Association, of Los Angeles, arrived last evening. Mr. Stevens is on his way from Los Angeles to the World's Fair at St. Louis.

## PRINTY OPENS GUN FEUD AT DOUGLAS

PRINTY WAS WORSTED

PRINTY AND JOHNSON GOT TOGETHER LAST NIGHT—CLUBBED GUNS AND POUNDED EACH OTHER.

Printy Said to Have Poked Gun in Stomach of Johnson as a Starter, No Shots Fired—Trouble Occurred at Queen Bar—Douglas Officials Were Alert for Trouble, But Missed the Issue.

(Special to Review.) Douglas, Sept. 6.—J. E. Printy tonight shoved a six-shooter against the stomach of John M. Johnson, and may have been about to pull the trigger, when Johnson, with lightning like rapidity, whipped out his own gun and with the butt end felled Printy to the floor with a terrific blow.

Printy staggered to his feet with his gun still in hand. As he made to raise it, Johnson struck him again. Printy fell to the floor in a heap, and a doctor was necessary. Several stitches were taken in his head. Johnson was struck in the face by Printy's gun the second time. Printy fell, and a couple of cuts made. Otherwise he was not injured.

The meeting occurred at the Queen Bar about 10 o'clock. Johnson was standing at the bar with friends when Printy came in and called for a glass of beer. He stood a few feet from Johnson. Wheeling suddenly upon the latter he shoved his gun at him as above stated. After the fight Johnson went up town with his friends. Officers of the city were on the alert tonight for trouble between the men connected with the hearing today, who remained over night to learn the decision of the court, but their vigilance failed to keep the peace. No arrests have yet been made because of tonight's trouble.

## Decision Will Be Given Today

JUDGE JOHNSON TAKES PRINTY. JOHNSON CASE UNDER ADVISEMENT.

Difference in Testimony Given at Douglas and That Here Solely in Declaration of Principals as to Who Brought on Trouble.

Bisbee hosts at Douglas yesterday to attend the Johnson-Printy hearing returned home last evening, unscathed and none the worse for the trip. The result of the hearing will not be known until ten o'clock this morning at which hour Judge Johnson has engaged to deliver his opinion and pass sentence.

Evidence submitted at the hearing yesterday did not vary in the least from that heard in the court of Judge Brown in this city last week, when Printy was arraigned on a charge filed by Johnson, except for the fact that yesterday Johnson was charged by Printy from the witness stand with being the aggressor. In Judge Brown's court Printy was charged by Johnson with being the aggressor. Aside from this material disagreement as to the prime point in the case all the balance of the evidence submitted in the case was identical in the two courts.

The hearing at Douglas yesterday was attended by a large crowd, having excited much interest. The best of order was maintained. Flannigan, Feltus & Flannigan and Attorney Fred Sutter appeared for the prosecution and J. W. Baker and George Neale for the defense. Both sides to the contest returned home last evening apparently in equally confident and happy frames of mind.
